NO REFUND: Your payments to Fisher Flying will not be refunded.

DELIVERY: When your order is ready for shipment, Fisher Flying will notify you and then you will have 30 days to arrange shipment to you of the Products. If you do not, Fisher Flying will be entitled to cancel the order, keep your payments and re-sell the Products ordered.

SHIPMENT: Once you, your representative, or a common carrier receives the Products you ordered, Fisher Flying bears no further liability for their loss or damage. If you ask Fisher Flying to delay shipment, or if Fisher Flying ships or delivers the Products incorrectly as a result of inaccurate, incomplete or misleading information that you supplied, you are responsible and have to pay for storage and any additional costs before shipment.

BEYOND OUR CONTROL: Fisher Flying is not liable for any loss or damage due to any requirement of a governmental agency or authority, shortage of raw material, strikes or other labour trouble, fire, riots, wars, acts of God or other causes beyond the control of Fisher Flying.

RETURNS: You must make all claims for defective materials or missing parts within 30 days from the date of delivery of the Products to you. If you want to return any of the Products, you need Fisher Flying's written consent. If you have a valid claim, the Products in question will be replaced by Fisher Flying. That is your only remedy.

INTELLECTUAL PROPERTY: The Products are proprietary to Fisher Flying. Fisher Flying owns all trade-marks, trade names, patents, copyrights, know-how, processes, inventions, industrial designs or other similar property ("**Intellectual Property**") in and to the Products. Fisher Flying grants to you a non-exclusive, non-transferable license to use the Products for the sole purpose of constructing a single aircraft from the Products. You will not sub-license the Intellectual Property to any person. The making of copies of the Products, including all plans and manuals, or any portion thereof, is strictly prohibited. You will report any infringement of the Intellectual Property or claims to ownership of the Intellectual Property, of which you become aware, to Fisher Flying in writing.

SINGLE AIRCRAFT: You will construct only one aircraft from the Products and not use the Products for any other purpose. You will not alter the Products except as may be necessary to construct an aircraft with them. You will not combine the Products with other products from any other source.

NO RE-SALE: Fisher Flying is selling the Products to you for your exclusive personal use. You will not reproduce, communicate, sell, or transfer in whole or in part the Products to any other person. CONSTRUCTION, INSPECTION AND OPERATION: When using the Products for construction, you will observe all appropriate safety precautions and get appropriate technical help to ensure the aircraft is well constructed. After construction of an aircraft with the Products, you will have the aircraft inspected and approved for use by the relevant government or aviation authority before operating it. You will ensure that no one will operate the aircraft unless he or she is a certified and qualified pilot.

BINDING EFFECT: This Agreement is for the benefit of and binds the parties and their respective heirs, executors, administrators, personal and legal representatives, successors, and permitted assigns. Fisher Flying can assign this agreement to an affiliate.
